Mfrs: Modular Kitchen, Wardrobe, Office Furniture

When Nidhi Interiors took its first step 3 years back we started a journey which has taken us through small voyages with each of our clients starting from their home that took us right into their hearts. Today we are happy to be associated with more than 50 families BUILDING, BONDING AND DECORATING THEIR LIVING SPACES.

### MEET & AGREE

This is our passion. We love designing beautiful homes that would be remembered forever.

### IDEA & CONCEPT

Ancient gurus weren't wrong when they wrote down guidelines such as Feng-Shui and Vaastu.

### DESIGN & CREATE

We are in the constant lookout of clients who say 'I want an interior which has never been done before.'

### BUILD & INSTALL

Interior designing is not just to impress your guests but also to ensure that when every morning you wake up
